About the Survey

The data in this report reflects the survey results for Glen School. The survey was conducted from June 6-20, 2022 using Google forms. Email invitations were sent to all district parents and guardians via Skyward on three dates: June 6, June 13, and June 20. Additionally, survey announcements with a district-branded graphic were posted on RPS Instagram, Facebook, and Twitter on these dates.

Numerical data were compiled, and charts were generated through Google forms, as presented in this report.
