

BOOK GIFTING PROGRAM 2019-2020

Once again we are offering your child the opportunity to participate in the *Book Gifting Program* for the Ridge library. This program provides our school library with lots of new books each year. It is a great way to recognize your child's birthday while contributing a lasting gift to our library's collection.

We ask for a donation of \$20 per student and the money collected is used to purchase a selection of books that will be held in the library office. During the month of your child's birthday (not always the exact date), he/she will be invited to choose a book from the collection. At that time a bookplate with his/her name will be placed inside the book, and your child will be the first to bring it home to read and share with you!

We hope you will choose to participate. Please complete the following form and return it to the school office with a check payable to Ridge HSA Inc. Contact Julia Bender (quigleybender@gmail.com) if you have any questions.

- Additional forms can be found in the main office
- Please return the forms as soon as possible so we can be sure the books are gifted by year end
- July and August birthdays will be celebrated on their half birthdays
- Birthday books are celebrated year round so it's never too late!
