

2nd Annual Ridgewood Cambodia Project Sponsor-a-Chair Event

The Ridgewood Cambodia Project is raising funds to provide appropriate sized tables and chairs for our pre-K students in Cambodia. Last year with your help we provided tables and chairs for our kindergartners.

Sponsor a chair for only \$8. Or you and a group of friends can sponsor a table for \$58! Please send your payment in an envelope with your name to your club leader*. Please also include a photo of yourself in the envelope.

When we visit our pre-K school in February we will show the Cambodian students and teachers pictures of the generous Ridgewood students and families who helped make their classroom a more comfortable place to learn.

Pictures and payment are due no later than January 15, 2019, payable to the Ridgewood Cambodia Project, a 501c3 organization.
