

## **Ridgewood Friends of Music Mission Statement**

The Ridgewood Friends of Music is a parent-run organization whose goal is to maintain, support and enhance a public school music program of the highest quality, K - 12, as an integral part of a balanced educational curriculum. Monies raised by Friends of Music are used to:

- purchase and repair instruments for our schools
- award monies to music teachers to supplement their classes
- offer assemblies/workshops/master classes for students
- offer performance opportunities for students
- provide scholarships to students for further musical studies
- maintain our website as a resource for private music instruction, summer music camps, pre-college programs, local competitions and ensemble opportunities

These goals are accomplished through teacher listing advertisements on our website, the annual Friends of Music concert, school contributions and donations.

We are proud to support the exceptional music program and teachers in the Ridgewood Public School system.

For more information or to make a donation to Friends, please visit our website at [www.ridgewoodfriendsofmusic.com](http://www.ridgewoodfriendsofmusic.com), or contact Friends of Music president Kristen Plumley at [kiko\\_plumley@mac.com](mailto:kiko_plumley@mac.com).
