

Ridge Elementary School  
**Home & School Association**

The Ridge Elementary School Home & School Association (HSA) welcomes you to an exciting new school year!

**About us**

The Ridge Elementary School HSA is a non-profit organization comprising parents/guardians of students, faculty and administration of Ridge Elementary School. We support many enriching experiences for our children and provide interesting and important information to parents/guardians throughout the year. For more information, please visit our web site at <http://ridge.school.ridgewood.k12.nj.us>.

**Membership**

Our annual membership dues are \$30 per family, which includes one copy of the HSA Student Directory. The student directory provides a listing of the Ridge Elementary School student contact information, a calendar of important events and other important information about your child's school experience. Additional copies of the student directory are available for \$5 per copy. A pocket-sized copy of the student directory (alphabetized listing only) is available for \$5 per copy.

**Directory Information**

To ensure that your child's information is correct in the student directory, **you must logon to Skyward Family Access** to complete the Mandatory Annual Online Re-registration process, and verify/update your contact information.

**Important Information:** If you are the second family in our student information system, Skyward, your access to Family Access will differ from your child's primary family. You can update your own contact information, but your information will not be included in the Student Directory unless you contact your HSA representative listed below.

---

**Yes! I would like to receive a Ridge Elementary School HSA directory.**
