*Like other Ridgewood town organized sports travel teams, RHC provides this valued service to the Ridgewood community at an affordable cost. RHC was established in 2003. Ridgewood Hoops Club (RHC) is a not for profit organization whose mission is to promote sportsmanship and the game of basketball within the town of Ridgewood. RHC provides instruction for boys in 2nd - 8<sup>th</sup> grades through clinics, practices and travel league games. We are the only Boys' Travel Basketball Program recognized by the Village of Ridgewood therefore all of our practices and home games are played in Ridgewood School Gyms. The Club's goal has always been to teach boys interested in the individual and team oriented skills necessary to become well rounded basketball players.*
