- ... and the number one reason you should come and see Jamboree Night Live...
1. It's for the love of the kids in our community!

For 72 years now, Ridgewood High School (RHS) parents have presented an original live musical production to raise need-based scholarships funds for college bound RHS seniors. Over 150 volunteers from the village and around contribute each year by giving up their time to perform on stage, design costumes, direct, choreograph dances and scenes, build sets, and work back-stage. It's an amazing tradition that provides great entertainment for a wonderful cause!
