

THE RIDGEWOOD COMMUNITY SCHOOL Presents:

The Jr. STEM Program and Chess Program, in partnership with Mad Science NJ, provides an **ALL NEW** after-school science program starting in **April 2018 at Ridge Elementary School**. In the Mad Science club, students are introduced to science using a hands-on, inquiry-based approach in a fun and entertaining way. The cost is \$100 per child for 5 sessions which includes all materials and an awesome take-home item *EVERY* week!

The club will meet one hour weekly, for 5 weeks. Class size will range from a minimum of thirteen to a maximum of twenty children. Enrollment is open to grades K- 5 and is offered strictly on a first-come, first-served basis. **Please look at the days and dates carefully, as there are no makeup classes for individual absences. Makeup classes will only be scheduled for cancelled classes.**

Enrollment is open to grades K - 5 and is on a first-come, first-served basis. Sessions fill up quickly so be sure to REGISTER YOUR CHILD ONLINE AS SOON AS POSSIBLE!!

Please note that you are to pick up your child **from** the designated door at the end of each session – children will not be released without parent/guardian.

Classes will meet on Tuesday (STEM) and Thursday (Chess) from 3:15 pm to 4:15 pm.

Class Dates (Chess): 4/19, 4/26, 5/3, 5/10, 5/17 barring no cancellations.

Class Dates (STEM Pt 2): 4/17, 4/24, 5/1, 5/8, 5/15 barring no cancellations.

Please note that the classes in Session 2 will be completely different from the classes in Session 1.

Registration will be handled directly by Mad Science of Northeast NJ's **ONLINE WEBSITE** on a first-come, first-serve basis. Please log on to northeastnj.madscience.org to register for the After School Program!

Registration Deadline: 4/15/2018

Mad Scientists!

S.T.E.M.-tastic Science!

In this all new Mad Science program, we explore the exciting and intriguing world of S.T.E.M. Explore **Science** with Chemistry and Biology, cooking up cool concoctions and capturing crawling critters! Journey on a Mission in **Technology** with robotic space activities and creating awesome contraptions with electricity and gears! Use your imagination while **Engineering** your own Inventions, and setting up simple and complex machines! Finally we will turn up the Volume on **Mathematics** and learn all about the importance of measuring with our Lab Tools! Don't miss out on S.T.E.M. -Tastic Science!

SCHOOLHOUSE CHESS brings chess pieces to life using creative and animated personalities that enable students to learn the game in a fun and exciting way. Students become fascinated with imaginative chess characters that accelerate the learning process. Our instructors bring all the materials and supplies to your school and cover the rules and strategies of chess.
