A Reminder to Parents of Children with Allergies

If your child has a food allergy, we would appreciate it if you could send in treats that are safe for him/her to eat that can be kept in their classroom. Please send the treats in to the teacher in a container clearly marked with your child's name on it. The teacher can keep this box for the year and we will let you know when it needs replenishing. We wouldn't want any child to feel left out when there is a celebration in his/her class and we don't always have a safe alternative for them.

Thank you in advance for your help. If you have any questions or concerns, please call me at 201-670-2740 x2.

Sincerely,

Colleen Manke
Ridge School Nurse
