

RIDGE FAMILY PICNIC 2015 THANK YOU

This past Friday, we had the most successful Annual Ridge picnic yet. We were overwhelmed by the generosity that we received from the Ridge School community. People stepped up to volunteer their time, to keep us hydrated or keep the sugar flowing with delicious baked goods. For the 3rd year in a row, The Fireplace Restaurant donated 200 hotdogs and all the fixings. Our volunteers kept their calm selling tickets and food in the midst of chaos, relieving the picnic chairs when they needed a break, and helping to set up and clean up--not the most glamorous job. We had a lovely group of Ridge graduates who really got the party going by manning the dance area and applying colorful tattoos and face paint to Ridge students. We are all so grateful for your donations, your time and contagious energy! We'd like to acknowledge people who helped make this year such a big success. If we are forgetting someone, please forgive us!
