

Ridge Moms'

SOFTBALL TEAM

Ridge Moms' Softball Team is starting the new season—Come join us!

We play one day a week in the summer at local fields, and babysitting is always available onsite.

Whether you are a committed athlete, vaguely remember playing in high school, or just want to join us for drinks afterwards at Smith Brothers, we would love to have you!

Why should the kids have all the fun? This is a great time to socialize with other moms, and it's a terrific opportunity for your kids to see mom be part of a team too!

Come have a good time with a fun, welcoming group of women.
