

L.E.A.P.

Thank you to everyone who taught a L.E.A.P. class this winter.

We are finishing up our 4th week and all the kids have had a great time!

Special Thanks to Lana Monte, Danielle Katsaros for organizing it all, Peggy Quinlan and Julianne Brunner for helping to schedule the classes and point everyone in the right direction and Ms Schoenlank for teaching a class! Not every school has a lunch time enrichment winter program, they just don't have the volunteers. It's really appreciated that everyone works together to make this possible for the kids.

Wizards Thank You

Thank you to our very own Principal Schoenlank, Laurie Main and Deirdre Tobin for their mad basketball skills! The Wizard game is Federated HSA's big fundraiser for the year and it was a sell out success. ** Federated HSA is a cooperative effort among all 9 school HSA's in the district and the BOE to provide resources & improve communication. An Extra Special Thank you to Jake Rubenstein, a Ridge Almuni who played Ridgie at the game and took pictures with fans.

HSA Volunteer Thank you

We are ½ way through the school year and wanted to say Thank You to those who don't have a large event that gets a specific Thank you – The ones volunteering each day/week in the class rooms, in Red Zone, Library, Art Room, volunteers running small events/clubs, those doing work behind the scenes to keep the HSA / School running smoothly – it is all very much appreciated!
