

Sponsored by the GoodWill Foundation a Ridgewood based Organization created in honor of special needs children like Ridgewood's own, Will Sullivan

**WHEN:** Saturday, March 16, 2019

**WHERE:** The Duck Pond at Saddle River Park • Ridgewood, NJ

**ABOUT:** GoodWill was formed in 2011 in honor of Will Sullivan, a boy with Angelman Syndrome. Angelman Syndrome (AS) is a rare neurological disorder on the Autism spectrum. GoodWill's mission is simply to do "something Good, for Will". GoodWill is executing this mission by raising funds and awareness for Angelman Syndrome as well as for schools and programs that serve children with special needs. Our fund raising efforts have benefited the following organizations over the last several years: Foundation for Angelman Therapeutics (FAST), CTC Academy, Camp Sunshine/Snowflake, and Camp Fatima. In addition to these organizations, GoodWill will support Camp Acorn in the future.
