mak·er·space  
'mākər,spās/

*noun: **makerspace**; plural noun: **makerspaces***

A place in which people with shared interests come together to work on projects while sharing ideas, equipment, and knowledge. The Makerspace is equipped with 3D printers, laser cutters, various milling devices, and more.

*Are you interested in participating, volunteering or learning more? Come see our Makerspace!*

Do you love to tinker, experiment, build, fix, take apart, investigate, invent, and/or craft? Then come check out the Makerspace! Light refreshments will be served and there will be activities for all ages!

*Makerspace is brought to you by:*

The Ridgewood Community School, Age Friendly Ridgewood, and Ridgewood Public Schools
